Instructions

1) Use blue black ball point pen only.
2) Do not write anything on the blank portion of the question paper
   If written anything, such type of act will be considered as an attempt
   to resort to unfair means.
3) All questions are compulsory
4) The number to the right indicates full marks
5) Draw diagrams wherever necessary.
6) Distribution of syllabus in question paper is only meant to cover
   entire syllabus within stipulated frame. The question paper
   pattern is a mere guideline. Questions can be asked from any
   paper's syllabus into any question paper. Students cannot claim
   that the question is out of syllabus. As it is only for the placement
   sake, the distribution has been done.
7) Use a common answer book for all sections

1. Short answer question (any five out of six): (5x3=15)
   a) Enumerate causes of clubbing (any 6)
   b) Rheumatic chorea
   c) Clinical features of myxoedema.
   d) Management of acute severe asthma
   e) Management of acute attack of gout
   f) Enumerate causes of secondary hypertension (any 6)

2. Short answer question (any five out of six): (5x5=25)
   a) Clinical features of congestive cardiac failure.
   b) Lifestyle modification in management of type 2 Diabetes Mellitus.
   c) Describe pathophysiology and clinical features of bronchiectasis.
   d) Clinical manifestations of systemic lupus erythematosus.
   e) Treatment of rheumatoid arthritis.
   f) Clinical features of infective endocarditis.
